Subject: Fwd: Smart Signals project plan

The intersection at Los Gatos Almaden and Union Ave. has the highest count of bicycle traffic in Los Gatos and serves both Union Middle School and Leigh High School. Please include it in the Smart Signals project plan.

Subject: Smart Signals project plan

To whom it may concern,

I think the intersection of Los Gatos Almaden Rd & Union Ave should be included in the Smart Signals project plan. Vast amount of children (including mine) ride their bicycles through this intersection daily. Children going to and from Alta Vista, Union Middle School & Leigh High School all travel through this intersection. I would like to petition for the safety of our children and all in our neighborhood that this intersection be included immediately please.

Thank you in advance,

Michelle Navarro
