**Project Description:** Provide brief description of agency, agency goals, and agency services. Describe your program briefly, including who benefits from your program.

West Valley Community Services' (WVCS) Comprehensive Emergency Assistance Program (CEAP) provides one-time emergency financial assistance to prevent individuals and families from becoming homeless, to quickly re-house households that have been un-housed, and prevent a utility shut-off. The goal is to stabilize individuals and families during times of trouble and help them return to self-sufficiency. The CEAP program is designed to serve low income and at-risk individuals and families and individuals in Los Gatos and the surrounding mountain region.
