COUNCIL AGENDA REPORT

DATE: JULY 24, 2006

TO: MAYOR AND TOWN COUNCIL

FROM: DEBRA J. FIGONE, TOWN MANAGER

SUBJECT: PUBLIC HEARING – ABATEMENT OF HAZARDOUS VEGETATION (WEEDS)

- A. CONDUCT PUBLIC HEARING TO CONSIDER THE REPORT OF THE COUNTY AGRICULTURAL COMMISSIONER'S OFFICE (AVAILABLE IN THE CLERK DEPARTMENT) ON THE ABATEMENT OF HAZARDOUS VEGETATION (WEEDS) FOR THE 2005-2006 SEASON.
- B. ADOPT RESOLUTION APPROVING SAID REPORT (AVAILABLE IN THE CLERK DEPARTMENT)

RECOMMENDATION:

1. Conduct public hearing to consider the report of the County Agricultural Commissioner's Office (available in the Clerk Department) on the abatement of hazardous vegetation (weeds) for the season 2005-2006 season.
2. Adopt resolution approving said report (available in the Clerk Department).

BACKGROUND:

Hazardous Vegetation (weeds) poses a serious fire danger during the summer months and should be controlled by individual property owners. To ensure that hazardous vegetation (weeds) is eliminated, the Town Council established a Hazardous Vegetation (Weed) Abatement Program in cooperation with the Santa Clara County Agricultural Commissioner's Office. This program, which is similar to those in neighboring jurisdictions, is modeled after the Town's nuisance abatement process. It begins each year in late fall with the adoption of a resolution declaring hazardous vegetation (weeds) to be a public nuisance, and ends the following summer with a public hearing to confirm charges against properties on which weeds were abated by the County's contractor.

SUBJECT: PUBLIC HEARING – ABATEMENT OF HAZARDOUS VEGETATION
(WEEDS)

JULY 24, 2006

DISCUSSION:

Earlier this year, the County Agricultural Commissioner's Office inspected properties in the Town and notified the owners of those on which hazardous vegetation (weeds) was observed to remove the weeds in accordance with fire safety standards. Properties not cleared by the owners before a specified date were subsequently cleared by a contractor hired by the County Agricultural Commissioner's Office. Questions related to the work performed and the cost of said work should be directed to:

**Moe Kumre, Program Coordinator
Hazardous Vegetation Management
County of Santa Clara County
Department of Agriculture
and Resource Management
1553 Berger Drive - Building #1
San Jose, CA 95112
(408) 282-3123**

Upon completion of the work, the Office of the County Agricultural Commissioner prepares a report documenting the properties that were cleared and the costs for administering and performing the work. The report is then filed with the Town for review and approval at a public hearing. Once approved, the report is filed with the County Tax Collector for placement of the charges on the ensuing property tax roll.

CONCLUSION:

The 11 properties identified in the 2005-2006 report (available in the Clerk Department) have benefited from the Hazardous Vegetation (Weed) Abatement Program by virtue of the County Agricultural Commissioner's Office removing the hazardous vegetation (weeds) on these properties. The property owners should, therefore, be charged for the cost of removing hazardous vegetation (weeds) under the program.

ENVIRONMENTAL ASSESSMENT:

This is not a project defined under CEQA, and no further action is required.

FISCAL IMPACT:

None for the Town. The County's costs to administer and carry out the program are recovered via the charges levied against the properties served by the program.
