## COUNCIL AGENDA REPORT

DATE: JANUARY 22, 2008

TO: MAYOR AND TOWN COUNCIL/  
CHAIR AND MEMBERS OF THE REDEVELOPMENT AGENCY

FROM: GREG LARSON, TOWN MANAGER 

SUBJECT: MEETING MINUTES OF DECEMBER 17, 2008

The minutes of the December 17, 2008 meeting are being corrected to reflect a change under Item #17, Council Discussion which currently reads:

- Commented that the Planning Commission minutes indicate that the Architecture and Site application would return to the Planning Commission.

The minutes are corrected to read:

- Commented that for a previous project, Council approved the Architecture and Site application returning to the Planning Commission, as the Planning Commission minutes had indicated that it would return to them. For this project, Council is comfortable with the Architecture and Site application going to the Development Review Committee as is the practice when a Planned Development application includes significant architecture and site details.
